

NEBOSH General Certificate £649+Vat

The online NEBOSH General Certificate in Occupational Health and Safety qualification helps those who complete it to be more effective in risk management and developing a comprehensive safety culture in the workplace. The NEBOSH certificate is regularly used by people as a first step to a career in health and safety.

NEBOSH General Certificate

When delivered in a classroom this course is delivered over 10 days and the online version covers the same content. It will take a student between 60 and 80 hours to complete this programme but the advantage of the e-learning format is that you can do this over 6 months so it will be easier to fit around your work.
