Option A payments includes a discount and payment is made at the start of the contract. Option B payments require an initial deposit at the start of the contract followed by 11 equal payments made by standing order on the first day of each month. All contracts are subject to a minimum 12 month period. Where contracts start part way through the month a pro-rata payment will be calculated for the first month and added to the initial deposit. The contract will then run for a full 12 month period after the first part month. All payments are subject to VAT at the prevailing rate. All rates are based on a maximum of 8 hours on site and exclude VAT. All invoices that are not paid by standing order are to be paid within 7 days from the date of invoice.

You do not need to have a retainer package in place to purchase our online “SAFETY FIRST” package. This can be purchased at any time. The online portal will help you to keep your safety documentation and records in one central location and accessible from most internet enabled devices via a secure password protected log in system.
